

# IUPAP Young Scientist Prize in Optics 2018

<http://e-ico.org/activities/awards#iupap>

## Rules applicable to the IUPAP Young Scientist Prize in Optics: IUPAP Young Scientist Medal:

The IUPAP prize in optics will be awarded annually through ICO to a scientist who has made noteworthy contributions to applied optics and photonics during a maximum of 8 years of research experience after having earned a PhD degree. Career interruptions will not be counted as time of research experience.

## The Prize includes:

The IUPAP Young Scientist Medal with the name and discipline (optics) of the awardee engraved on the back.  
A citation.  
A 1000€ award as established by IUPAP.

## Do you know talented researchers?

If you know of any or have talented researchers in your team, that are eligible to such a prize, then please submit a nomination letter to:  
Adrian Podoleanu, IUPAP Young Scientist Prize in Optics, ICO Committee Chair,  
[ap11@kent.ac.uk](mailto:ap11@kent.ac.uk)  
School of Physical Sciences, University of Kent, Canterbury, CT2 7NH, UK  
Deadline: 15th April 2018.

## Contact information:

Please feel also free to forward this leaflet to other colleagues. In case of any open questions please contact Adrian Podoleanu as per address above.
